Your Name & Address:		2003 Tour of Mull Clothing				
Tel:		<p>The 2003 colours will work well together (I took advice from the trendiest committee member) – dark blue polos and light stone coloured (called 'Natural') sweatshirts. The rugby shirts are dark blue too.</p> <p>We've added our web address on most of the garments. And we've added the lovely mouse mats to the order form too.</p> <p>The undated full zip fleeces are in the same fetching shade of charcoal and the half zips are a slightly lighter steel grey.</p> <p>The ladies gilets are still popular and we've kept the same colour and style as last year.</p>
